Help us raise funds to help the Renton School District retain crucial programs that are proven to be successful in advancing academic achievement and excellence. Our district is facing drastic budget cuts and losing grants that fund several critical programs that are proven to work! The 14,500 students of the Renton School District are our most valuable resource. Support for our schools and students, **right now**, is not just a wise investment, but critical to the future of our neighborhoods and businesses, and for the quality of life in our communities.

Admission to this fundraising event is free and [advanced reservations are required](#). To reserve your seat or become a Table Captain, please contact Sherre Piantanida sherre15@comcast.net or Marcie Maxwell marcie@marciemaxwell.com.
